- If you sign up, please show up. Attendance will be monitored by the chair(s) based on the Sign-Up Genius.

These include: Candy, front window (order taker and money handler), potato cutter, popcorn, soup/chili, cheese, boater, dish washer, credit card processor. Back-line are volunteers that are there every week and know how to run the grills, fryers and wrap/taco station.
- If you are new to the snack stand, please seek out the snack stand chair(s), for further direction.
- Prior to the start of the game ensure supplies for the area are stocked.
 - For front line/counter: make sure that the carry boxes, forks, knives, spoons, sugar, creamers and napkins are on the counter.
 - For Credit card processor/popcorn: set up the condiment table outside the stand with ketchup, mustard, relish, chopped onions, malt vinegar, salt and napkins.
 - Throughout the game, monitor if anything needs replacing.
 - After the game, please clear the condiment table, wipe it down and bring it into the stand.
- At the end of the game, please stay to help clean up. Do not leave until cleared by the chair(s).
